

Elegance Series Access Control & Time Attendance

Touch Screen Operation

- Gennext Technology
- Economy Model
- Duplicate Face Check
- illumination Efficient(8000Lux)

FT200

Specification

Processor	1 Ghz High Speed Digital Processor
User Capacity	500
Record Capacity	100,000
Security Photo	7000
Lighting	8,000 Lux
Verification	Face, ID+Face, Card+Face, Card/Face, Face+Finger, Card, Card+Photo
Speed	Less than 1 Second
Sensor	Specialized dual sensor
RFID	Standard EM, Optional Mifare

Ultra User Friendly

- Contactless for ultimate hygiene
- Color screen for face positioning
- Audio Prompt

High Security

- More data measured than fingerprint
- Incidence trackable
- Various alarms enhance security level

Reliable

- Over 6 years market testing

Robust Performance

- Accurate : FAR<0.001%, FRR<1%
- Less than 1 second
- Work well even in darkness

High Usability

- Failure to enroll and acquire rate is less than 0.0001%

Easy Installation

- Embedded system enables plug & play
- Desktop or wall mounting

Communication

TCP/IP, USB Host, Weigand Output

Attendance

Photo ID/Scheduled bell/Work Status/Workcode/Daylight saving

Access Control

Replay Output

LCD

2.8 inch Resistive Touch Screen

Power

12V DC

Working Distance

30cm - 80cm

Working Temperature

0°C - 40°C

Working Humidity

20% - 80%

Certification

CE FCC Class A ROHS
