

**WI-9382C**

## ■ Overview

Very thanks for you use our company products

These products use the latest high definition CCD image sensor, and combined with our company technology. have a good stability, high sensitivity, crystal-clear picture quality, beautiful shape and easy to install, can be good application your CCTV system.

## ■ Product Characteristic

- Bullet camera with bracket
- 1/3" Sony CCD 800TVL
- Lens: 3.6/ 6/ 8 mm optional
- IR led light: Ø5(850nm) x 24 LEDS
- IR distance: 20M

## ■ Parameters Of Product

| Items                   | Parameters                   |
|-------------------------|------------------------------|
| Image Sensor            | 1/3" Sony ICX673AK           |
| Effective pixels        | 960(H)* 582(V)               |
| Sync System             | Internal                     |
| Minimum illumination    | 0.001 Lux (IR ON)            |
| Resolution              | 800TVL                       |
| Auto White Balance      | AUTO                         |
| Gain Control            | AUTO                         |
| S/N Ratio               | ≥48dB (AGC OFF)              |
| Auto Electronic Shutter | NTSC: 1/60~1/100,000 sec.    |
|                         | PAL: 1/50~1/100,000 sec.     |
| B.L.C.                  | AUTO                         |
| Video Output            | Composite 1.0V p-p at 75 ohm |
| Gamma Correction        | 0.45                         |
| Operation Temperature   | -10°C TO 50°C                |
| Humidity                | within 85%RH                 |
| Power Supply            | DC12V±1V / 280mA±10mA        |
| Dimensions (L x W x H)  | 125mm* 80mm* 70mm            |
| Lens                    | 3.6mm                        |
| Weight                  | 450g                         |
